

2015 Open Space and Recreation Plan

Concord, Massachusetts

"Concord River in Spring." By Edgar Grabhorn: "One sunny day I went out on crusty snow beside the river to sketch the early signs of the forthcoming Spring. By the time I packed my kit to go home the ice underneath me had softened. I sank thru the snow and up to my knees in cold water and had to slog my way to firm ground!"

Open Space and Recreation Plan Committee

Acknowledgements

The Open Space and Recreation Plan Committee is grateful to the following individuals for their valued support in the preparation of this document: Agricultural Committee, Board of Selectmen, Community Preservation Committee, Concord Land Conservation Trust, Concord Public Works, Concord Water and Sewer Division, Historical Commission, Planning Division, Recreation Department, West Concord Advisory Committee, and citizens at large including Harry Beyer, Cherrie Corey, Richard Forman, Murray Nicolson, Simon Perkins, David Swain, Ryan Schain, and Dick Walton.

Thanks to Kate Cairoli, Judith Doll-Foley, and Jon Kelly of the Conway School for their assistance with preparation of this Plan.

Thanks to the 2004 Open Space and Recreation Committee for their thorough analysis of Concord's open space.

Finally, we thank the citizens of Concord, both past and present, whose legacy of conservation and recreation stewardship affords for the enjoyment of future Concordians.
